

SS 272
Telecom
PIPES

**SS272
TELECOM
PIPES**

Brand:

SS272 telecom pipes comes in grey colour and in lengths of 6m.

They are recommended for use by the telecommunication authorities for island-wide telephone and cable-networking. The durability, non-corrosive and di-electric nature of uPVC pipes makes it ideal for this use.

Nominal Size		Outside Diameter		Thickness
inches	mm	MIN (mm)	MAX (mm)	mm
4	110	110.0	110.4	3.2
Standard Length: 6m
